## Driving The Toll Roads

On May 14, 2014, cash toll collection was removed from The Toll Roads, so now there's no more stopping to pay at toll booths. All drivers on The Toll Roads pay tolls electronically using FasTrak®, ExpressAccount™ or the One-Time-Toll™ payment option. There's an electronic payment method that will work for every driver including commuters, infrequent users and visitors. Learn more at [thetollroads.com](http://thetollroads.com).
